GENERAL MERCHANDISE STORE MANAGER

Abestilla General Merchandise, Quezon City March 2021 – March 2022

I'm Kenith. I work best when things are clear and steady. I've handled responsibilities in both retail and food service, so I'm used to staying organized, dealing with people, and keeping things running smoothly. I learn fast, keep my work simple, and get things done without the need for too much noise.
